**ASSESSING HIGHER ORDER ABILITIES & PROFESSIONAL SKILLS**

*In the 21st century, professional skills have emerged as important attributes of a graduate engineer. Studies show that Industry/employers around the world value these abilities more than the disciplinary knowledge. This is also reflected in the NBA graduate attributes wherein six out of twelve attributes belong to this category.*

- (1) Communication*
- (2) Team work*
- (3) Understanding ethics and professionalism*
- (4) Understanding in global and societal contexts*
- (5) Lifelong learning and*
- (6) Knowledge of contemporary issues.*

*Further, higher order cognitive abilities like critical thinking, problem solving and making informed decisions are also crucial for a graduate to succeed in the emerging world.*

*The main challenge surrounding them is that they are difficult to assess through existing conventional examination system.*

## ACTIVITY-01

### 4-DAYS ANNUAL SPORTS EVENT AT MACET, PATNA

(15<sup>TH</sup> – 18<sup>TH</sup>) JANUARY, 2023

#### **Event- 4-DAYS ANNUAL SPORTS (YALGAAR) AT MACET, PATNA**

*About the Event- Physical Education is an integral part of the total education system. It helps in the attainment of the aim of education i.e., the achievement of holistic development. Games and Sports play a vital role in the student's life. A student should study hard to be successful in competitive examinations. However, he should also play games and sports to enjoy the health and dynamism of life. Along with bookish learning, a student should spend time on games and sports also. Either study or work alone makes us exhaustive. We remain no longer efficient to do any work. Sports remove our mental exhaustion. Education without sports is incomplete. The Sports marks itself as one amongst the most efficacious department of MACET. It strives to excel at all levels and bring laurels to the college. With the help of college faculty and student volunteers, we are continuously improving in sports field.*

*Considering the concept of "SPORTS FOR ALL" throughout the entire session, Sports Cell of MACET under the leadership of "Syed Moazzam Hussain" organized annual sports event "YALGAAR" for students from 15<sup>th</sup> to 18<sup>th</sup> January 2023. It was one of the largest co-curricular activity programs that offered an extensive opportunity to all students. This venture enabled the students to have fun, learn new sports, enhance social interaction, and tested one's physical capability.*

*The Opening ceremony started on 15<sup>th</sup> January at 10:00AM in the college playground. Prof. (Dr.) Asim Kumar (Director, MACET) along with Prof. (Dr.) Md. Masood Ahmad (Dean Academic) inaugurated the event.*
